Dear Friends:

I am honored to have this opportunity to offer you my personal greetings as you commemorate the 16th Anniversary of the Jonestown, Guyana massacre. While I regret that I cannot be with you in person, I want to send my best wishes to all of you as you remember this terrible tragedy.

Your memorial service is important because it ensures few Americans will forget this horrible event. It demonstrates religion's impact in our lives, and the risks of individuals taking advantage of God's name. I am certain this service will further our awareness of these risks and reduce the chances for another such massacre.

Please accept my sincere appreciation for your invitation, and I am hope your memorial service is successful.

Sincerely,
