I would like to thank and praise Dr. Jynona Norwood for remembering the innocent children whose lives were lost in the Jonestown Massacre.

Everybody remembers the tragedy but they forget about the children. The wisdom of the parents has been questioned but the children did not have anything to do with that. So again let me thank and praise Dr. Norwood and the staff of the Cherishing the Children Memorial Wall and Services for their tireless efforts and thirty 30 year journey of making the dream of the Memorial Wall a reality for all.

Best wishes,
