Pastor Jynona Norwood
Guyana Memorial Services
P. O. Box 420207
San Francisco, CA 94102

Dear Pastor Norwood:

I heartily support the idea of a tributary wall dedicated to the spirits of those who were lost in Jonestown and to the spirit of those relatives and friends who were left to carry on.

I will be pleased to write a dedication to be inscribed on an instrument of sculpture and/or architecture built for those purposes.

Sincerely,

A handwritten signature in cursive script that reads "Maya Angelou".

Maya Angelou
