Cherish the Children
Memorial Ceremony
Evergreen Cemetery
Oakland, California

Dear Friends,

Please accept my best wishes and my deepest gratitude to for your efforts to honor the memory of the innocent children and all those who died during the tragic Jonestown Massacre.

Thirty five years ago the people of San Francisco suffered an unimaginable horror; many lost family members and friends. It was a trauma to our City that will never be forgotten.

Cherishing the Children Memorial Wall will provide a place of comfort and solace to the children's relatives and loved ones as well as to those who wish to honor the memory of Congressman Leo Ryan and all those who lost their lives.

Thank you for your continuing dedication.

Best regards,
